

Roots and Wings - Theme for the Year

On more than one occasion in the King's Chapel Book of Common Prayer, rubrics instruct the minister to say, "Hear what comfortable words the Lord Jesus saith unto all who truly turn to him...". The minister then recites sentences of scripture that are, in a sense, comfortable. They tell of God's love for us, the rest we receive in God, the peace given unto us. But there are times in the New Testament when Jesus gives us 'uncomfortable words.' On Sunday we will ask "Does God care about what you want?"
