LOOKING TO MAKE A DIFFERENCE?

Purple Heart Homes is teaming up with the Town of South Euclid to renovate a home for Service Connected Disabled Veteran, Corporal Leo Robinson.

Help us provide him with the dream of home ownership.

We need donations of money, time and materials

WE NEED YOU!

MEET CORPORAL LEO ROBINSON

Compelled to "help his country" after the tragedies of 9-11-2001, Leo enlisted in the Marines. The military was a family affair with the Robinsons. After enlisting and completing basic training at Paris Island, Leo was deployed first to Al Ramadi, Iraq and then to Helmand, Afghanistan. To this day, he can't talk about what happened to him while he was there. For three years, he has tried with his therapist, to learn more of his own personal war story. For now, it remains a secret, locked inside Leo himself. Whatever happened, his health was seriously impacted and he returned home to Ohio.

Leo deals with unstable emotions everyday. The hardest anguish to deal with is to wake up and get out of bed. He used to be an avid sportsman. He played football as a middle linebacker and wide receiver. His interest in sports is slowly coming back.

One loyal companion is Kota, Leo's beloved black English lab that is being trained to be his service dog. They became fast friends over the past year.

PURPLE HEART HOMES AND THE COMMUNITY OF SOUTH EUCLID, OHIO MAKE LEO'S DREAMS REALITY.

Purple Heart Homes has a foreclosed home from the Cuyahoga County Land Bank that will be renovated to meet Leo's needs. *"This home will mean the world to me. I need a place that is mine and accessible."* He is most looking forward to, hanging personal things on the walls that have meaning to him. He will have a real home that will enable him to see his children more often.

WE NEED DONATIONS OF THE FOLLOWING MATERIALS & LABOR

Plumbing
Electrical
Lumber
Concrete

Insulation
Sheetrock
Paint
Windows

Roofing
Counter Tops
Drywall & installation
Garage Doors

Driveway
Food
