Benefit from the discipline and accountability of the traditional classroom experience, while learning and interacting with your peers.

#### Structured prep

You'll work on your test-taking skills with a talented instructor who will keep you motivated, focused and on task.

#### Face-to-face interaction

Your teacher will provide feedback and illustrate challenging material with interesting and highly effective lessons.

#### Engaging Lessons

You'll prepare alongside other students in a dynamic group with lively discussions and collaborative drills.

#### Course Features:

- 15 hours of live classroom instruction
- 2 full-length proctored PSAT®s to sharpen your pacing skills
- In-class review of test-taking strategies
- The study tools you need to practice on your own
- Access to our PSAT® Self-Paced course, with video lessons on every topic covered in class to review the content at your own pace
- Extensive additional online practice
- Better Scores Guarantee\*
- Access to online content begins on the date of enrollment and lasts 90 days

#### The Princeton Review Advantage

##### Proven Methods

Our proven test strategies and comprehensive content will maximize your results, whether in the classroom or on test day.

##### The best-trained teachers

Our teachers undergo the most rigorous training regimen in the industry to learn our exclusive test preparation methods. Teachers working for The Princeton Review instructors have tested in the top 98<sup>th</sup> percentile in the country on standardized tests.

##### Superior college knowledge

We know what schools look for in applicants. Our admissions experts will help you craft a plan that helps get you into your top-choice schools.
