## DON'T MISS THIS!

### Guest Speaker: Alicia Dicks

**MV500 is the unified voice of the Mohawk Valley - Herkimer, Fulton, Montgomery, Oneida, Otsego and Schoharie Counties**

Through new vision, energy and commitment to regional unity, MV500 is the action behind developing a regional plan that will connect, sustain and leverage our six counties' shared strengths in order to build the economic growth and quality of life.

- This is a once-in-a-lifetime opportunity to attract \$500 million in state assistance and billions more in private investment.
- MV500 must build on regional core strengths, and address longstanding challenges, to create jobs, revitalize our economy and build a brighter future.
- Regional unity is critical to MV500's success, and a dedicated volunteer team is working to engage people in our six counties—to ensure that this initiative embraces their vision for the Mohawk Valley.
- With help from people across the Mohawk Valley, volunteers will develop a winning plan and present it this fall.

**Get involved. Take the MV500 Survey!**

### Who Should Attend

Mohawk Valley Stakeholders from  
Fulton, Herkimer, Montgomery,  
Oneida, Otsego & Schoharie Counties

## PRESENTATION:

Mohawk Valley Regional Economic Development Council officials announced the launch of the "MV500 Project," a comprehensive, coordinated strategy to create the region's entry in Governor Andrew Cuomo's \$1.5 billion Upstate New York Economic Revitalization Competition. In January, the Governor's plan to award \$500 million each to the three regions that create winning economic development plans was announced.

The MV500 volunteer team is led by Alicia Dicks, President and CEO of The Community Foundation of Herkimer and Oneida Counties, Rob Esche, President of the Utica Comets; Steve DiMeo, President of MVEDGE; Ray Halbritter, Oneida Indian Nation Representative and CEO; Nick Matt, Chairman and CEO, of the F.X. Matt Brewing Company and Dr. Dustin Swanger, President of Fulton-Montgomery Community College
