## Constant Contact Authorized Local Expert

Tom Brown has presented to companies and conferences of all sizes on the subjects of Social Media, Email Marketing, Selling, Leadership, and other aspects of the Internet in general.

He specializes in developing and implementing customized Social Media Marketing strategies that fully integrate your traditional marketing with your online marketing. This includes your Email marketing, Social Media profiles (Facebook, LinkedIn, Twitter, Google+, Pinterest, YouTube, etc.), website, newsletters, radio, TV, newspapers, and anything else you use to promote your business, products, or services.

Tom Brown is also the Founder of Media Barker, where he leverages his 20+ years of experience in online marketing, project planning, management, communications, and PR techniques. This valuable experience plus his own internal techniques and processes, customized to clients needs, allows him to deliver new and unique solutions to clients.
