11:00 AM—Networking

12:00 PM—Lunch

12:30 PM—Program

You are invited to attend the Illinois Trucking Association's new Will County Council Meeting for lunch on Wednesday, June 10. Due to local truck issues in Will County, the Illinois Trucking Association has seen a need to form a council in Will County that is prepared to address local issues that affect trucking companies.

At this meeting on June 10, ITA Executive Director, Matt Hart, will be speaking on state and federal legislative issues affecting the trucking industry. The Illinois Trucking Association recently completed their Call on Washington and their Call on Springfield. In addition, ITA has been engaged in the Spring Legislative Session, particularly in lobbying for the repeal of the Commercial Distribution Fee, which would save the trucking industry \$48 million per year.

To RSVP for the meeting, please contact ITA Associate Director, Randy Thomas, at rthomas@iltrucking.org or call the Illinois Trucking Association, at (630) 654-0884. The meeting is open to any member of the Illinois Trucking Association or any prospective member.

Thank you, and we hope to see you on June 10.
