AWARD-WINNING SERVICE: *Our HVAC service technicians are nationally and locally recognized. In the past three years, three of Shapiro & Duncan's HVAC technicians have been recognized at the PHCC Educational Foundation's Annual National HVAC Apprentice contest. This year Chip Duncan placed 2nd out of 12 top apprentices in the United States. In addition, our service technicians have been recognized locally two years in a row by Property Management Association (PMA), the largest real estate management association in the DC area for their accomplishments and professionalism.*

24 HOURS/7 DAYS A WEEK/ON-CALL SERVICE ON-THE-GO

Our factory-trained and certified technicians provide commercial clients with troubleshooting, diagnostics, maintenance, repair or replacement of HVAC equipment, components and systems. We service all major brands:

- | | |
|----------------------|---|
| ⇒ Air Handling Units | ⇒ Indoor Air Quality Systems |
| ⇒ Boilers | ⇒ Makeup Air Units |
| ⇒ Chillers | ⇒ Split Systems |
| ⇒ Cooling Towers | ⇒ Variable Air Volume (VAV) |
| ⇒ Controls | ⇒ Variable Frequency Drive (VFD) Systems |
| ⇒ Dehumidifiers | ⇒ Variable Refrigerant Flow (VRF) Systems |
| ⇒ Humidifiers | |

Through tailored annual service contracts, our commercial clients receive all of the following benefits:

- Scheduled maintenance that extends equipment life
- Improved equipment efficiency to control energy costs
- Priority response to routine calls
- 24-Hour Emergency Response
- Discount on labor and parts
