Greetings, perianesthesia colleagues!

It is amazing that another season of learning is upon us. Our ASPAN seminar series will soon commence for summer/fall 2015. The ASPAN ANCC-COA Accredited Provider Unit has consistently provided excellent information through up-to-date seminars, and now the new favorite – the webcasts. We continue to embrace and acknowledge what the Institute of Medicine (IOM) has espoused, “Ensure that nurses engage in lifelong learning”\(^1\) so they gain competencies to help them provide care to a diverse population across the lifespan. Please know that ASPAN and its ANCC-COA Accredited Provider Unit is always exploring new seminar topics that are of interest to all perianesthesia nurses in different work settings.

Our specialty is so distinctive that it takes a unique and, at the same time, a variety of educational offerings to meet the needs of all perianesthesia nurses. Our practice is ever-changing, so nurses must be kept abreast of the latest information in perianesthesia education. Lifelong learning is certainly encouraged and, to that end, increasing one’s knowledge base means the perianesthesia nurse is able to deliver quality and safe care to patients, whether it is in the preoperative, PACU or postoperative areas.

Current ASPAN programs selected for this season include:

- Foundations of Pediatric Perianesthesia Care
- Foundations of Perianesthesia Practice
- Infection Control Challenges: Implications for the Perianesthesia Nurse
- Pain Management in the Perianesthesia and Critical Care Settings
- Pediatrics: Little Bodies; Big Differences
- Perianesthesia Certification Review
- Perianesthesia Essentials I
- Perianesthesia Essentials II
- Perianesthesia Essentials III
- Perianesthesia Essentials IV
- Perianesthesia Essentials V
- Perianesthesia Foundation
- Perianesthesia Pathophysiology and Assessment: A Systems Approach
- Perianesthesia Standards and Implications for Practice
- Refreshing Your Perianesthesia Practice
- Safety Begins With Us
- Surrounding Your Practice With Excellence: Legacies, Standards and Advocacy

Renew your perianesthesia passion by taking advantage of the wonderful programs ASPAN has to offer. Inspire excellence in yourself and your co-workers by taking the first step in certification and attend the very popular Perianesthesia Certification Review seminar. To our perianesthesia colleagues, I encourage you to attend these seminars. To our managers, please support your staff’s desire for lifelong learning. Whether you are novice or expert, whether you like face-to-face or virtual seminars, we know you will find what you need in ASPAN’s seminar series.

Sincerely,

Armi Holcomb BSN RN CPAN
ASPAN President 2015-2016

General Information

American Society of PeriAnesthesia Nurses (ASPAN) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Additional provider numbers: Alabama #ABNP0074; California #CEP5197; Florida #50-114.

REGISTER EARLY!

• Online registration will close the week prior to the seminar date. (For a seminar that occurs on Saturday, registration will close at midnight on Wednesday of the week prior to the seminar.) Please call the National Office after this time for registration information.

• Registration is limited and taken on a first come, first served basis.

• A seminar will be closed when registration capacity is reached.

• Please note that registration cannot be accepted or processed unless accompanied by appropriate tuition payment. Please keep this in mind if applying to your facility for payment of the registration fee. Do so in a timely manner.

• Registering at the event is not recommended. If you do choose to register onsite, you must first contact ASPAN at (877) 737-9696, extension 219, to confirm that the seminar is still scheduled and that space is available. No handouts will be provided to onsite registrants. You will be able to download and save the handout for one week following the seminar date.

• Please dress in layers to accommodate the room temperature.

HANDOUTS

A printed handout will not be provided. Upon your registration, an email receipt and email confirmation letter will automatically be sent. They BOTH contain a link to the handout. You must be a registered attendee and you MUST be logged into the ASPAN website using the user name and password that is connected to your account. If you do not know or if you do not have your user name and password, please go to www.aspan.org and click the Login button at the top of the page. Please read and follow the prompts that apply to you. It is your decision to download and save the handout to your device or to print the handout. The link will be available one week prior through one week following the seminar. Wi-Fi will not be available at live seminar locations. It is your responsibility to obtain your handout BEFORE attending the seminar.

AUDIO OR VIDEO TAPEING

Audio taping or video taping of any portion of an ASPAN program is strictly prohibited.

HOTEL RESERVATIONS

ASPAN does not reserve room blocks.

PARKING

ASPAN does not validate parking. Any parking fees associated with a location are the responsibility of the attendee.

SPECIAL ASSISTANCE

In accordance with the Americans with Disabilities Act, please advise ASPAN when registering if you have any disability that requires special materials and/or services so that appropriate personnel can be notified.

Program Schedule

Coffee and tea service will be provided in the morning. Breakfast/snacks are not provided. You are on your own for lunch.
