

The Canadian National Exhibition provides exhibitors participating in the Arts, Crafts & Hobbies Pavilion a standard booth wall system and one duplex outlet (1500 W). Flat panel or pegboard options are available in white **ONLY on the back walls**.

If you would like a panel removed and replaced with white drape for access to storage located behind your booth, please indicate which panel you would like removed by marking an 'X' on the panel with corresponding Letter/Number and indicate below.

PLEASE NOTE ONLY PANELS WHICH ARE MARKED WITH A LETTER AND NUMBER CAN BE ADJUSTED. PANELS WITHOUT A LETTER AND A NUMBER CANNOT BE ADJUSTED OR REMOVED.

Equally, if you would like a white panel replaced with pegboard mark an 'X' on the panel with corresponding Letter/Number and indicate it in the space provided below. All requests must be made in advance only. Changes made on-site will be at the sole cost of the exhibitor.
