Mission Proposal

United Methodist and Presbyterian Church of Browns Valley MN

In June of 2016 the town of Browns Valley is Celebrating 150 year of existence. Being a small town and a small congregation, we are looking for assistance in utilizing our church throughout this celebration (Thursday, June 23 – Sunday, June 26). We do not have the ability to “staff” the church for the services we would like to provide, and are looking for outside volunteers to help us with this community outreach.

- We would like to have our church open as a place for people to gather and socialize.
- We would like to provide simple meal option(s).
- We would like to provide childcare.

The assistance available will determine what options are realistic for us to pursue.

For Mission Volunteers, we will provide free meals and a place to stay (camp inside/outside on church property). There will always be members of the church available for contact. In order to implement the entire plan, we are estimating we would need 30 volunteers. We would ask the mission team to be available to work starting Friday at 11 am, and duties would be complete Sunday at 2pm.
