Congratulations to Armand & Trena Pauly, owners of Polestar Computers located at 3930 Main Street in Kelseyville, who celebrated their 20 years in business on April 1, 2015 with an Open House.

Over 100 attended this open house to join in the celebration. The Lake County Chamber is proud to have Polestar as a member and wish them another successful 20 years of serving the communities of Lake County.

Trena and Armand are active in the business community, having served on the Chamber Board, the Board of the Kelseyville Business Association and Armand is a member of the Kelseyville Rotary Club. When their children were growing up, the Paulys were active with the school activities and organizations.
