August's First Saturday Mission Project --August 6th 9:00am

We are going to be doing some yard work and cleaning up the kitchen at TLO. Volunteers keep our kitchen and gardens in shape all year long. This is an opportunity for you to respond to the blessings the Lord has given each of us by helping keep his house in order. Please join us! Bring with your gloves and garden tools or cleaning supplies to help out. Make sure to bring a bottle of water as well.

Crafters

TLO is going to be sponsoring a craft and bake sale this November (date has not been set yet). Start making your crafts now. A donation of \$10 will be requested to pay for a table, but not required. Please notify the church office, Toni Brandl or any of our quilters know if you are interested in selling your crafts at the sale or donating crafts for the event. More details will follow shortly.

Display Cabinet Needed

Social Ministry is looking for a donation of a display cabinet for Fair Trade Items sold by Lutheran World Relief (LWR). As part of its ministry LWR offers fair trade products grown as part of its ministry. Things like coffee, tea and chocolate will be available for sale at the church every Sunday. Fair Trade Products are grown by farmers who receive a fair price for their products and in conditions that do not harm the environment.
