

Friday, May 13 is Mini-Course Day!

Dear TLO friends and family,

Do you have an interest or hobby you could share with our students? We are looking for people who are willing to share their talents and interests with our students. Ideas include, but are not limited to, knitting, cooking, woodworking, painting, paper crafts, gardening, jewelry making, golfing, fishing, camping, recreational sports, card tricks, and more!

Mini-course day is a little over one short month away! Mini-courses are intended to give students the opportunity to experience and learn things that are different from our regular curriculum. Much of the success of these special learning experiences is dependent on your help. Please consider an area you might assist us in and return the form no later than Friday, April 8. Feel free to call or email if you have any questions. Thank you for your consideration and support of this special activity.

In His Service,

Mrs. Amy Zenda-Johnson amy.zenda-johnson@tloschool.org
