EAGLE SCOUT PROJECT

PHIL WORKMAN

Phil Workman will be building an outdoor classroom at TLO for his Eagle Scout project on Saturday June 4 (rain or shine). Work begins at 9:30 AM and will take several hours. If you are willing to help-even for just a short time--please contact him at philip.workman@tloschool.org or phone 651-455-9723. Lunch will be served.

- Adults or older students -- help is needed to dig holes, build 6 benches and the cross and to build the fire pit.
- Anyone -- help is needed to clean up the area (remove rocks and broken branches), and to complete the trail with woodchips.
- Young Investor members -- count these as service hours!

Please bring gloves, wheelbarrows, shovels, drills, post hole diggers if you have them. He is also in need of someone who can haul a medium sized trailer either Friday night or Saturday by 9am. Thank you for your support and your service to TLO!

TIM PETERSON

Tim Peterson is doing his Eagle Scout Project mid June. The project will be re-grading, weeding, sodding, and adding a drain to the courtyard between the gym and the elementary classrooms. If you would like to donate, go to TLO's donation website or see Tim personally.
