

# GEOEXPO+

LEADING INNOVATION.  
FOSTERING COOPERATION.

October 23-26, 2016  
Sacramento Convention Center | CA

## MARK YOUR CALENDAR SPREAD THE WORD

### Why the +

It's **more** than an Expo. The Geothermal Energy Association (GEA) brings you GEOEXPO+ with the theme "Leading Innovation. Fostering Cooperation."

Network with 1,200+ industry leaders. Walk the sprawling Expo hall floor. Exhibit and share your innovations. Build new relationships or strengthen old ones. Grab a seat at the Marketing Forum and listen to the latest U.S. and global geothermal advancements. *Step into a world of geothermal.*

### Want to Exhibit?

Booth space is still available. Visit [www.geo-energy.org](http://www.geo-energy.org) to register.

This event is held in tandem with the GRC Annual Meeting.
