

BACK TO SCHOOL

Low-Income Students Need Your Help With Back to School Supplies and Clothing!

Do you remember that end-of-summer feeling with "Back to School" signs on every store window? Having those new supplies in your hand on the first day made it fun to go back.

We invite the community to come together - to give every student that same opportunity by participating in our Back to School Program. Grade-appropriate school supplies, backpacks, and clothing will be distributed to low-income elementary, middle, and high school students in July and August, helping them start to on the same foot as their peers - building their confidence for the coming school year.

Please deliver donations to our office by July 15.
