

French week- Monday, June 1- Friday, June 5, 2015

Bonjour les amis de BFCCPS! (Hello friends of BFCCPS!)

This is the program for this year's French week. It is a time to celebrate French culture since we teach French from Kindergarten to Grade 8. I know that students look forward to it and wish that every week was French week.

This year's theme has a big emphasis on traveling and the importance of languages, "***Étudiants Sans Frontières.***" (Students without borders)
Languages opening doors to the world.
