Spring 2016

Thank you BFCCPS students and parents for making the 2016  
"Out of This World" Spring Social an AMAZING success!  
This great fundraising night would not have been possible without  
the fantastic volunteers!!  
Thank you

*Congratulations*

We are very excited to announce the 6 winners of the BFCCPS PCO Overnight Field Trip Scholarship.

This Scholarship was established to support our school's mission, our students and to assist parents in their role as primary educators of their children by providing students with a classical academic education coupled with sound character development and community service. This scholarship is awarded to help defray the out of pocket expenses incurred for the BFCCPS Overnight Field Trips. Each one of the application materials submitted emphasized the student's involvement in community service activities and commitment to our Classical Virtues.

Thank you to ALL for your applications, letters of recommendation, and your well written and inspiring essays and **CONGRATULATIONS** to the Winners!

## **Get Active in the PCO!**

All parents are automatically members of the BFCCPS Parent Community Organization (PCO)

This is our community, the community we create for our children. If you haven't gotten involved in the past now is the time to change that!

There are vacancies in various committees, so plan on attending our next PCO meeting to see which ones you might be interested in participating in. Let's show our children how important their education, and their school is by getting involved!
