Boston Children's Hospital
Creative Arts Program

Does your child love the arts? Music, dance, drama, or painting?

Come and spend a few of your hot summer afternoons with a few other students and I, as we explore the world of the arts!

Each day will have a fun craft and lots of fun art games.

100% of the proceeds will go to the Art Program at Boston Children's Hospital. As part of this program, campers will also be making cards for the "Cards for Hospitalized Kids" foundation which will then donate them to children in hospitals around the country.

Camp supervision provided by Amy Nicholson
