**Boston Children's Hospital**  
Creative Arts Program

Does your child love the arts? Music, dance, drama, or painting?  
Come and spend a few of your hot summer afternoons with a  
few other students and I, as we explore the world of the arts!  
Each day will have a fun craft and lots of fun art games.

100% of the proceeds will go to the Art Program at Boston  
Children's Hospital. As part of this program, campers will also be  
making cards for the "Cards for Hospitalized Kids" foundation  
which will then donate them to children in hospitals around the  
country.

Camp supervision provided by Amy Nicholson
