

Popsicle sale at BFCCPS

Date: Wednesday, Thursday and Friday May 13th, 14th & 15th

Time: during lunch

Where: cafe

How Much: .75 per Popsicle

Why: to support my capstone project-PMC Kids Ride (raising money for a cure to cancer).

My name is Angelina Gatto and I have chosen to do my 7th grade capstone project on a Cure for Cancer. My goal is to ride 6 miles in the PMC kids rides and raise \$250.00 for the team. Please join my team to help me accomplish this goal together. Since they have started the PMC kids rides in Franklin it has raised over \$300,000 in the last 9 years. This money has been donated to the Dana Farber Cancer Institute for patients and new ways to cure cancer. Every dollar and every pedal makes a difference. Here is where some of the money goes:

- \$1 buys lens wipes for microscopes that researchers use to see what drugs destroy cancer cells.
- \$5 enables a patient who can't afford gasoline to drive to life-saving treatment.
- \$10 buys a bag of test tubes that may hold the key to why cancer cells grow and how to stop them.

Date: Sunday, June 14th, 2015

Time: 8:00am - 12:00pm

Where: Jefferson/Remington School

How Long: 6 Miles

Registration Fee: \$10.00 per rider (each rider receives a t-shirt and goodie bag)

Team Name: Franklin Fighters

* Each rider should try and raise money; I plan on raising the majority of the money for the team through my fundraising goals (popsicle and bake sale). If you would like to join my team, please contact me at jjgat@verizon.net.
