

WEAC Region 6 Fast \$50 Recruitment Incentive Compensation Claim Form

Dear Region 6 Member

WEAC Region 6 is willing to pay you \$50 for every non-member you recruit between now and February 29, 2016 to become a member of your local, Region 6 and its affiliates. To receive your incentive, please complete the form below and on back listing the required info for every non-member you try to recruit. Then check the box as to whether the non-member joined or refused to join. Once the Region receives this form, as well as the completed membership forms, and valid payment types (EFT or checking account info is preferable to credit/debit cards because EFT's don't expire) for each successful recruit, your incentive check will be sent. Please note, new members will only be charged a pro-rated portion of their annual dues for this membership year (please note, this is a one-time opportunity).

Thank you for helping us grow our union by adding colleagues who can help us make an even bigger positive difference in public education. If you have questions, please contact the WEAC Region 6 office at 1-800-397-2287. Please mail completed form to:
