WORTC

A personal letter from Michelle Bruce:

After 15 years with the OCWTP, I've made a decision to return to working in the field. My heart has been tugging at me to do direct service for about a year and a half now, so I'm taking a leap of faith and leaving a job I absolutely love. I will be working with the Dayton Area Agency on Aging. I want to say good-bye to everyone and let you know that I will miss you terribly. For those I've worked with so closely at the WORTC, Dale, Nancy, Cheryl and Kristin, you are my family and it's with much love and gratitude that I say good-bye to you. It's you all that I will miss the most. You are in my heart and I truly appreciate what we have. I've enjoyed learning so much about the Training Program, and I've loved working with everyone at ODJFS, IHS and the trainers. I will cherish the relationships I have had with each of you. I am thankful for all that I've experienced with this job, and I'm very blessed to call all of you my friends. Thank you for a wonderful 15 years and for the well wishes as I move into my new position.

Love,
Michelle Bruce
