

IHS Welcomes Student Intern Dilya Limes

Dilya Limes

Dilya is a graduate student at the Ohio State University who will earn her Masters of Social Work in Spring 2015. Dilya will be working on a number of projects over the next few months to familiarize herself with statewide initiatives such as Alternative Response and ProtectOHIO. She will also be involved in OCWTP work team projects that will further develop her coordination and management skills.

Some of you may recognize Dilya from her internship with PCSAO (2013) or her job as a parent Advocate Connections Manager with National Youth Advocate Program (2008-2013). Prior to that, Dilya worked as a volunteer coordinator in her home country of Uzbekistan. Dilya is married and has two young children. IHS is excited to have Dilya on our team and we know you will enjoy working with her!
