

Hamilton Brain Injury Association

March 13, 2015

Dear Community Partner:

Thank you for allowing me to introduce the Hamilton Brain Injury Association, a non-profit organization dedicated to providing support, education and advocacy to individuals who have sustained a brain injury since 1986. We are committed to enhancing the lives of the folks in our community who have had their lives forever altered by a brain injury.

June is Brain Injury Awareness Month and for over a decade the Hamilton Brain Injury Association has been holding an annual 1 mile Walk to raise awareness as well as much needed funds. This year also marks the tenth anniversary of our 5 km race, the HBIA 5K by the Bay and the Blake Heys Memorial 1K kid's fun run. The funds raised go directly to the Association in order to continue to offer services to the survivors of Brain Injury.

This year, the Walk and Runs will be held on June 20, 2015 on the Bayfront Trail in Hamilton. The day promises to be exciting, enlightening and fun, as it has been in previous years. We encourage anyone interested in participating in either the walk or the run, to contact us at the phone number below for further information. Everyone is welcome!

We are soliciting donations for prizes and snacks. We would be grateful for anything that your company could have to offer. Recognition of the prize donors will be made public at the event when the prize is issued and we will also be noting all contributions on our website and in our newsletter that follows the event. Any contribution is appreciated and a tax receipt can be issued for the value of the prize.

If you have any questions regarding the event, please contact Ted Newbigging at 905-388-2660 or via email, ted@paradigmrehab.ca. To register for the event please visit the Hamilton Brain Injury Association on the web at www.hbia.ca

We appreciate your community spirit and support of this worthwhile cause.

Sincerely;

The Board of Directors of the Hamilton Brain Injury Association
