***Anthony Browder's three decades of study confirmed to him that ancient Africans were the architects of civilization and developed the rudiments of what has become the scientific, religious, and philosophical backbone of humankind. From true historical-supported evidence he has concentrated his research and disseminated his findings.***

**Brother Anthony returns to East Palo Alto, Saturday, August 29, 2015 for an update of his July/August trip to Kemet (Ancient Egypt) sites. He will discuss/share excavation of the 25th Dynasty tomb of the Kushite noble, Karakhamun and developments of the present day archeological dig. \$15.00**
