What to do in D.C.

You will not want for things to do during your stay in D.C. You may want to plan on arriving early and/or staying after the conference to see all there is to see.

During your stay, here are just a few must-see choices for you to enjoy:

- Mt. Vernon – home of George Washington, open 365 days a year: beautiful home, gardens and farms
- United State Naval Academy – who can miss a trip to the US Naval Academy? October is a perfect time to visit
- DC Museums: From the Smithsonian to the Holocaust Museum, you could spend a month seeing all there is
- Gettysburg – if you're driving, stop by Gettysburg, PA for a moving experience on the battlefield where Lincoln's famous speech moved a nation for generations.

While in DC you can see sights such as:

- Couple a Trolley Tour with the Torpedo Factory Art Center in Alexandria, VA where we will be staying
- Old Town Alexandria and shopping
- Georgetown and Washington National Cathedral
- Library of Congress and the Smithsonian & Kennedy Center for the Arts
- Jefferson and Lincoln Memorials at night
- And so much more...

Whatever your desires, you won't want to miss the 47th Annual LHSA Annual meeting!
