

Dear Friends of W/NP,

WISCONSIN/NICARAGUA
Partners of the Americas, Inc.

2015 marks **50 years** of citizens in Wisconsin and Nicaragua working together to make a difference! We invite you to save the date, **November 7, 2015** to join the 50th Anniversary celebration of Wisconsin/Nicaragua Partners and **become a LIFE Member** to mark this momentous event.

"Wisconsin Nicaragua Partners of the Americas, Inc., had done an outstanding job connecting the people of Nicaragua with the people of Wisconsin. I have been a member of W/NP for many years and have traveled to Nicaragua to see first-hand the organization's tremendous work. From Learning Centers, to Sewing Centers, to Libraries, to Farmer-to-Farmer, Eyeglasses--through these and other projects W/NP has made a difference in the lives of thousands of Nicaraguans. The programs have been in addition to the millions of tons of goods that have been shipped from Stevens Point to Managua, and then on to numerous cities and towns. These are among the most dedicated humanitarians I have ever met. They have been in it for the long-run, and they have put everything into it. It is one of the outstanding voluntary organizations in Wisconsin and the U.S., in my opinion" Dr. Robert Wolensky

Do you want to help make a difference in the world but the task seems overwhelming? Why not join others who work together and take the first step by simply joining/paying dues to support the development projects of Wisconsin/Nicaragua Partners?

Your membership will support citizen-to-citizen projects that help people help themselves through **hands up activities**. Participants gain dignity, opportunity, progress, and the best part is that you can go see your money in action if you wish.

Thank you and see you in November,

"Working Together We Make a Difference!"

Dr. Brad Martin, W/NP President
