**"I came to this experience knowing
NO Spanish other than "gracias"
and "si." Although I still have a lot
of work to do on Spanish vocabu-
lary this experience helped me learn
how to pronounce Spanish vowels,
consonants and words. Maybe most
important, I believe that (using a
Spanish language worship book) I
could now lead a worship
service in Spanish, and even under-
stand most of what is being said."**
