

EF INTERNATIONAL PARTICIPATING IN MASSIVE CITY AND COASTAL CLEANUP IN SANTA BARBARA ON EARTH DAY 2016

EF International Language School's Santa Barbara campus, Heal the Ocean and Looking Good Santa Barbara are partnering in a massive cleanup of both the downtown area and Santa Barbara South County beaches to take place on Earth Day 2016.

Funding for the beach cleanup equipment is being provided through Heal the Ocean from the Johnson Ohana Charitable Foundation, founded by Kim and Jack Johnson to support environmental, art, and music education.

EF International, which has campuses around the world, has a large student body in Santa Barbara, 500 students, who will spread out to work on EF International's Ocean & Environmental Awareness campaign entitled "EVERY DAY IS EARTH DAY."
