

Southern California Yachting Association

Dear Racers:

Welcome to the 87th annual running of the SCYA Midwinter Regatta. This unique event will be held at over two dozen venues stretching from Ventura to San Diego. There will be over 100 classes represented, including one-design, PHRF, cruisers, dinghies, R/C model boats and Predicted Log. Whether you are an experienced ocean racer, dinghy sailor or a cruiser that just wants to have a fun weekend on the water, this is the event for you.

With over 600 boats and 2,500 participants you have the opportunity to test your skills against some of the best sailors in our area. Come out to see if your team can earn one of the many take-home trophies and maybe get your name on one of the perpetual trophies. The host clubs will be working very hard to make this a fun event and showcase what they offer the yachting community.

Your participation in the event will support Southern California Yachting Association. SCYA has been serving the yachting community for over 90 years. Activities include publishing the Annual Race Calendar and Yacht Club Directory, sponsoring boating safety seminars, presenting honor awards to the member clubs and individuals, providing a service center to assist all our member clubs, and providing a yachting presence to public agencies having influence over the boating community. SCYA is a service oriented, non-profit organization supporting yacht clubs; learn more about SCYA at <http://www.scya.org>.

On behalf of the SCYA Midwinter Committee, thank you for participating. We are confident that the Midwinters will be a wonderful racing experience and networking opportunity. If you need any additional information, please do not hesitate to contact me at (858) 213-5498 or e-mail me at service@scya.org.
