

Are you better off than you were 16 years ago?

Lois is.

Capps has been in Congress for 16 years.

X During that time, Capps has taken more than \$11 Million in contributions from special interests and failed to disclose over \$500,000 in personal income.
Source: official FEC reports

X She's voted to increase the national debt - **15 TIMES**.
Source: official Congressional Record

X She opposed investigation of the IRS scandal and legislation to reform Obamacare.
Source: official Congressional Record

X And, she voted to give a TRILLION dollars in subsidies to Wall Street banks and other politically connected special interests.
Source: official Congressional Record

In 16 years, Capps hasn't introduced one bill to solve the water crisis, reduce the national debt, or to make Americans safer.

Sixteen years.

Lois Capps is doing better...America isn't.

*“I will fight to repair the broken promises,
and put America first.”*

—Chris Mitchum

Chris Mitchum’s plan for America

- ★ Reduce senseless regulations and overtaxation that is holding back economic recovery and making it harder to create jobs.
- ★ Change foreign policy to make security for Americans the top priority.
- ★ Reform or replace Obamacare to reduce costs, increase access, and improve quality.
- ★ Protect our natural resources, but make responsible changes to ensure people have access to quality water.
- ★ Create new safeguards to ensure citizens can never again be targeted for their political views by government agencies.
- ★ End subsidies for Wall Street and special interests so we can afford to reduce the national debt.

**If you think American should keep her promises and can do better—
Vote Chris Mitchum for Congress.**
