

2016 BC SUMMER GAMES

PARENTS, GUARDIANS & GROOMS

Your children will be chaperoned and well looked after by our Coaches and Officials. All athletes have a tight schedule of education seminars, practice times, competitions, meals, and of course fun events. Please enjoy the Games by watching the equestrian and cheering for all the athletes.

Your children are part of a team and are expected to be with their team for all events. Please do not schedule outside activities that will take your child away from the competition venue or from their team.

Only in very exceptional circumstances should you remove your child from the BC Summer Games or leave with your child early. This is not appreciated or encouraged and lets down the team. You must inform the Zone Head Coach and the Sport Chair prior to leaving. All medals and travel funding will be forfeited if an athlete is removed from the Games.

BBQ!

There will be a Welcome BBQ Wednesday evening from 5 to 9 pm. Please come and join in and meet your child's teammates, coaches and support volunteers for the games. Your support is vital to the competition and your child's experience at the games.

Attendance

If you are unable to attend the Games, please know that we have dedicated Head Coaches, Assistant Coaches and support people that will be there taking care of your child. All coaches attending have First Aid training.

Please note: Your child's Head Coach must have a valid cell phone number as an emergency contact. Medical information which may affect treatment, (allergies, medication, and previous injuries) should be given to the Head Coach. It will be kept in confidence.

Important Things to Remember:

No smoking anywhere on the grounds. Parents/Grooms please leave your pets at home.

Grooms - Please **wear your accreditation at all times**. Security will be checking and may not allow you to enter certain areas or the competition grounds without accreditation badges.
