

2016 BC SUMMER GAMES MEDAL PRESENTATIONS

Be prepared in full equestrian dress. These are formal presentations with a podium and photo opportunities, special guests and media.

You must be present and in your competition attire to receive your medal or your teams medal. No exceptions. In the past, winners forfeited medals for incorrect attire or asking someone else to get the medal for them.

You will not need your horse present for the medal presentations.

Don't forget to smile :)
