

# Finger Lakes Distilling is Hiring!

## **Part Time Tasting Room**

Accepting applications for friendly, energetic tasting room staff with a passion for or a desire to learn about distilled spirits. This is a part time position, with potential to grow into full time. We are open 7 days a week and looking for staff that will provide a positive experience for customers. Weekly schedule is flexible. Weekend availability preferred. Shift hours are from 10:30-5:30pm. Please email resume and we will contact you for an interview.

## **Assistant Distiller**

We are seeking a highly motivated, mechanically-minded individual to help with the production of our diverse line-up of spirits. The Assistant Distiller will be involved in all aspects of production (processing, mashing, fermentation, distilling, barreling, filtering, etc) under the guidance of our Master Distiller. Must be willing to work some non-traditional hours to help us extend our production schedules beyond 8 a.m. to 6 p.m. Additional responsibilities include maintaining records that are necessary for government filings, including production logs and regular physical inventories. Attention to detail and the ability to handle multiple tasks at one time are critical to the success of these job duties.

### Qualifications:

Bachelor's Degree preferred or equivalent experience in distilling/brewing/winemaking  
Ability to work with spreadsheets, create and maintain accurate records  
Strong technical, analytical, and communication skills  
Occasional travel for trade events, tastings, presentations  
References required. Please send resume and cover letter.

## **Retail & Marketing Manager**

Job duties will include management of retail shop and tasting room staff in high traffic tourist area and involvement in several marketing initiatives including event planning, ad creation, and social media. Work directly with management team to develop and execute marketing plan for the company. Individual must be a proven self-starter with dynamic interpersonal skills. Schedule will include weekend hours.

### Qualifications:

Bachelor's Degree preferred or equivalent experience in marketing or retail environment  
Strong technical, analytical, and communication skill  
Basic knowledge of web development and design software a plus  
Occasional travel for trade events, tastings, presentations  
References required. Please send resume and cover letter.
