

The Alpha Group

Turning 65 is 'A Rite of Passage' and we extend our congratulations to you on this momentous occasion! We like to think of the 65th birthday as a true gift, as, at this point in time, you will now be eligible for **Medicare**. If you're like most people, you probably have lots of questions like:

- How do you sign up for Medicare Part B? When?
- What are Medicare Advantage plans? What are the differences between them and Original Medicare? What would be best for you? Why?

Not planning to retire at 65?

- Do you plan to continue on your employer's group insurance plan?
- Does your group insurance plan provide a portion of your premium for a Medicare Supplement?
- How will the plan changes precipitated by the Affordable Care Act affect your future coverages and premiums?
- Could you do better with an individual plan?

We can help you answer these questions and more! You probably already know us as we are the local agency who works with your employer regarding your employee benefit plans. We have been in the business for 30+ years and are very versed in the Senior and Medicare markets and can help you with the types of questions and concerns you may have. Please don't hesitate to call us to arrange a time for us to get together to talk. You can reach us at **216-520-3300**. We look forward to hearing from you and **Happy Birthday!**

Sincerely,

The Alpha Group Agency
