

Direction to Jones Island Water Reclamation Facility
Maintenance Building – REV 12.16.14

Please note: Due to construction on the Hoan Bridge do not use either GPS or electronic way-finding to locate the facility as you will be misdirected.

Veolia Water North America
700 E. Jones St., Milwaukee, WI
(414) 482-2040 (receptionist)

From Downtown Milwaukee

- From the intersection of Water & Wisconsin, head south. Shortly after crossing the Milwaukee River, Water Street becomes 1st Street at the intersection with Pittsburgh. (From this intersection to the facility is approximately 3.7 miles.)
- Continue south on 1st St. Just beyond Allen Bradley where 1st St. splits off to the right, veer left to continue southward on Kinnickinnic St.
- In approximately ½ mile, turn left (east) onto Bay St. at the light. Before the next stop sign, veer to the right onto E. Lincoln Avenue Viaduct
- At the T-intersection at the bottom of the viaduct, turn left (north) onto S. Lincoln Memorial Drive.
- Pass under the bridge and continue north to the detour sign, turn left (west) onto Bay St., then at the next STOP sign turn right (north) onto Harbor Drive.
- Continue north approximately 8/10 of a mile over several sets of railroad tracks ending at a T-intersection. Take a soft left and proceed to the gate & call box.
- See below for “at the gate”

From West (I-94 East)

- Heading east on I-94, follow I-94 East/43 South/Chicago when it veers off to the right and over the High Rise Bridge.
- Take the Lincoln/Becher St. exit, eastbound, turning left at the light at the bottom of the ramp.
- Continue eastbound on Becher through three lights. At the light at Kinnickinnic Avenue, Becher Street becomes East Bay Street. Continue on E. Bay Street.
- Before the next stop sign, veer to the right onto E. Lincoln Avenue Viaduct
- At the T-intersection at the bottom of the viaduct, turn left (north) onto S. Lincoln Memorial Drive.
- Pass under the bridge and continue north to the detour sign, turn left (west) onto Bay St., then at the next STOP sign turn right (north) onto Harbor Drive.
- Continue north approximately 8/10 of a mile over several sets of railroad tracks ending at a T-intersection. Take a soft left and proceed to the gate & call box.
- See below for “at the gate”

From South (Chicago) (I-94 West/I-43 North) & North (I-43 South)

- Follow signs to downtown (I-94 West/I-43 North).
- Exit at Becher Street. Turn Right (East) on Becher.
- At the light at Kinnickinnic Avenue, Becher Street becomes East Bay Street. Continue on E. Bay Street.
- Before the next stop sign, veer to the right onto E. Lincoln Avenue Viaduct
- Once over the viaduct, at the T intersection, turn left onto S. Lincoln Memorial Dr.
- Pass under the bridge, and take the first left onto Bay St. then at the next STOP sign turn right (north) onto Harbor Drive.
- Continue north approximately 8/10 of a mile over several sets of railroad tracks ending at a T-intersection. Take a soft left and proceed to the gate & call box.
- See below for “at the gate”

At the gate

- Press the call button (up high) to connect with the security guard who will open the gate.
- Once through the gate, turn left, and follow the gravel roadway along the chain link fence.
- The gravel road bends slightly to the right.
- Turn right onto the asphalt road and drive along the low brick building.
- Stop at the STOP sign.
- A guard will give you directions to the Maintenance Building where you will park your vehicles. Parking is located behind the Maintenance Building.
