

"Crescent Project's Training is practical, biblical and much---needed in today's climate of misunderstanding."

- **Ravi Zacharias, Ravi Zacharias International Ministries**

"Crescent Project's message of love and reconciliation through Jesus is refreshing and desperately needed today."

- **Dr. Eugene Habecker, President of Taylor University**

"Bridges is a powerful tool for churches and small groups desiring to understand Islam and connect with Muslims in their communities."

- **Steve Richardson, Pioneers USA**

"I deeply appreciate Crescent Project's compelling blend of truth and love in dealing with our Muslim friends. They beautifully balance the two parts of 1 Peter 3:15: "give an answer," but do so "with gentleness and respect." I cheer them on and recommend their message to anyone interested in reaching out to the Muslims around us."

- **Mark Mittelberg, Author of *Choosing Your Faith***

We are thankful that God has given you the balance to speak the truth about Islam, the suffering of the Christians under Islam and the challenge of loving and engaging with our Muslim neighbors. May your tribe increase!

- **Don McCurry, Author of *Healing the Family of Abraham***

"Crescent Project's Bridges study is an excellent resource for small groups. It cultivates a heart for others and develops a missional focus in a natural and simple way. I highly recommend it as a small group Study."

- **Jon Weiner, Southeast Christian Church**

This past spring 2011 we were privileged to have Fouad Masri lead our church in an evening of connecting to Muslims. We also asked Fouad to lead us in a conference he calls "Bridges." On both occasions he was outstanding, and it is without reservation that I recommend him and his ministry to you. Fouad models what he teaches. He talks about sensitivity, and he is tremendously sensitive in his teaching. He speaks about God's Word having authority and about making sure our approach and application is Bible---centered, and he models that. "Bridges" is a great hands---on approach to building friendships and developing faith with our Muslim friends. I promise you when you schedule Fouad Masri you'll learn, you'll laugh, and you'll love what you hear and be blessed by his ministry. It is my joy to recommend Fouad Masri.
