

Youth Leadership Training!!!

Thursday, June 30th

10am-4pm

Lunch will be provided!

Know young people with leadership potential?

YouthMove Ohio will train local youth in personal leadership skills as well as team building to support youth voice.

Who should attend?

Any young person between ages 15 and 25 that has lived experience (*with the foster/adoptive care, children's services, juvenile justice, mental health, or substance abuse systems*) that want to learn leadership skills and how to advocate for themselves and give back to their community.

Skill Building Components

- **Exploring Personal Leadership Styles:** Interactive activities, Personal reflection writing, movie, group character analysis, communication styles
- **Team building and group process:** Identify your leadership role in a team, exploring group dynamics, introduction into basic decision making, participate in group challenges
- Use the group process to identify community needs/issues to build an action oriented team project.
- **Identifying a community need:** Group brainstorming, group presentations, and prioritizing needs.
- **Impacting Change:** Create a community service project.
- **Giving back:** steps and practice project planning, creating a service learning project
- **Celebrating success and long term leadership:** Create a personal plan for future use of leadership skills.
- **Implementation:** Giving back through service.
- **Celebrating Success:** Adult providers will create a "recognition" item for youth leaders.

Participating youth will plan and work with staff to host a summer community service event to benefit youth and families
