A Niche Resource

Our Profile

Experience:

- Year Established: 2004
- Experience: Your account reps, Indu Narula and Sanjiv Narula, have been in the promotional product industry since 1986

Product Matrix:

- Please visit the search engine on our website, www.aktis.us, to view a broad spectrum of general promotional products with the corporate logo as used for such events trade shows, community outreach, networking events, etc.
- We have the experience to provide focused and consultative guidance towards:
 - Custom products – customization of existing products as well as development of new products to address a particular need or process.
 - Themed products – products that help in visualizing the theme being represented by the product. (e.g. Texas theme, breast cancer awareness theme, etc.)
 - Program sensitive products that naturally align themselves to programs such as:
 - Safety awareness (e.g. safety glasses, gloves, aprons, masks, etc.)
 - Industry relevant products (e.g. anatomical models for the medical industry)
 - Casual corporate attire (e.g. golf shirts, oxford shirts, ties, etc.)
- Retail products from recognized brands such as Tumi, Sony, etc. that can be used for fulfillment programs.

Pricing & Delivery:

Our pricing is always competitive and discounted from the list prices shown in the general catalog on the web site.

Value in Your Supply Chain:

- **Services:**

We help you to integrate programs into the business process that help eliminate barriers to productivity and teamwork while creating an incentive for performance.

- **Products**

Our arsenal has a broad spectrum of products from which we can recommend the proper mix to synchronize with the focus of the program while being sensitive to the demographic of the program's audience and the corporate culture.
