### **Sunday School for 2016-2017 School Year**

Please pray for God to raise up teachers and talk to Jenny Alexander if you are so inspired! We are seeking teams of 3-4 teachers for each class. The classes are: Preschool, K-1st grade, 2-3rd grade, 4-5th grade. Consistency will foster strong relationships and there is still room for travel and "days off." Whom shall we send into the lives of our children?

### **Opportunity to Serve: Worship Bags**

Alleen Barber and her daughters Lucy and Nora keep up with our children's worship bags. They will be on vacation in July. Are you available for an hour to replenish the bags? This is a great service activity for children and adults. Please contact Jenny Alexander for instructions.
