~Our Evening's Healing Arts Practitioner and Guide: Susan Wasserman~

This is a time to receive and let the energies and frequencies work uniquely
with each individual's subtle energy system for clearing, balancing,
and alignment to the highest good. (About 1 1/2 hours).

Bio: Susan Wasserman has practiced sound healing and provided vibrational experiences for groups for 6 years after studying sound healing with Tom Kenyon. She is a teacher for the Spiritual Unfoldment Network (S.U.N.) which provides initiatory workshops from all the major spiritual traditions. The author of the Celestial Chorus Within, Susan is a holistic psychotherapist in private practice. In her practice she works from a trauma model which integrates applied mindfulness, breath, sound, brainspotting, EFT, energy work, and deep attunement. She has also been trained by Dr. Brian Weiss in Past Life Regression work. For more information or to contact:
