FINANCIAL AID INFORMATION FOR 2016-2017

St. Teresa's Academy works with FAIR (Financial Aid Independent Review, Inc.) for financial aid assessment. A paper application is available upon request. To submit an application to FAIR online, please complete the following:

1. Go to www.fairapp.com and click on the "Parent Login" link. If you are a returning FAIR applicant, your email and password are still active in FAIR's system.
2. School code for St. Teresa's Academy: 184
3. Password: sta184
4. Applications will be accepted beginning February 1, 2016 and are **due by March 4, 2016.**

Your processing fee for the standard application payable to FAIR is \$30.00 to be paid with Visa or MasterCard if applying online. If applying by mail, you may pay by check.

To be eligible for assistance, a family/student must demonstrate financial need, meet the entrance requirements for St. Teresa's Academy, and be current with all financial obligations due. Returning families must reapply for financial aid every year. Written notification of financial aid will be provided in mid-April.

- In the case of a divorced/separated family, St. Teresa's Academy requires both parents to complete an application or provide court documentation stating one parent has no financial responsibility and no custodial rights. We will not consider tuition assistance for a student until both parent's applications are complete.
- All 2015 tax information is sent directly to FAIR—not to St. Teresa's Academy.

For additional details, please refer to the Frequently Asked Questions section on the FAIR website.

If you have any questions regarding the financial aid process, please contact Dr. Baker.

Sincerely,

Dr. Elizabeth Baker
