New Dynamic Trip Planner

Instructions for the OneBusAway Trip Planner

1 Click the menu bar in the upper left-hand corner

2 Select the option to “**Plan A Trip**”

3 Type in the departing location (**From:**), the arriving location (**To:**), also the time and date. Then, your trip will be planned.

User Tips:

- OBA Trip Planner will display 3 bus route options with each option giving the next departure time closest to the intended time you wish to travel and the travel time
- The route options can be shown in either “**List View**” or “**Map View**”
 - “**List View**” will give the directions needed, including any transfers, with real-time arrival points in order to reach your destination
 - “**Map View**” will show the outline of the route each bus option will travel
- The trip planner will notify you if the end time of your selected trip plan has changed by at least 2 minutes or if your selected trip plan is no longer recommended.
