New Dynamic Trip Planner

Instructions for the OneBusAway Trip Planner

1 Click the menu bar in the upper left-hand corner

2 Select the option to **"Plan A Trip"**

3 Type in the departing location **(From:)**, the arriving location **(To:)**, also the time and date. Then, your trip will be planned.

User Tips:

- OBA Trip Planner will display 3 bus route options with each option giving the next departure time closest to the intended time you wish to travel and the travel time

- The route options can be shown in either **"List View"** or **"Map View"**
  - **"List View"** will give the directions needed, including any transfers, with real-time arrival points in order to reach your destination
  - **"Map View"** will show the outline of the route each bus option will travel

- The trip planner will notify you if the end time of your selected trip plan has changed by at least 2 minutes or if your selected trip plan is no longer recommended.
