Re: Board Appointments: Board for Architects, Professional Engineers, Land Surveyors, Certified Interior Designers and Landscape Architects (APELSCIDLA)

Dear Ms. Westfall:

As you may know, there is a vacancy on the Architects, Professional Engineers, Land Surveyors, Certified Interior Designers and Landscape Architects (APELSCIDLA) Board, due to the resignation of Mr. Patrick Leary.

The Virginia Association of Surveyors (VAS), the statewide society of licensed professional land surveyors in the Commonwealth, is pleased to recommend three candidates to fill the vacancy on the APELSCIDLA Board.

On behalf of the VAS Board of Directors, we recommend three outstanding individuals for the gubernatorial appointment to the APELSCIDLA board. Our recommendations are Mr. Doyle Allen, LS, Ms. Vickie McEntire Anglin, LS, and Mr. Steven Douty, LS.

Mr. Allen, Ms. McEntire Anglin and Mr. Douty are leaders in the VAS, and in the profession of Land Surveying. Mr. Allen and Mr. Douty are past Presidents of the VAS, while Ms. McEntire Anglin has been president of the Mount Vernon Chapter of VAS. All are held in high regard by their peers. These individuals have reputations throughout the Commonwealth for ethics, professionalism, leadership, and business and management acumen. Each is willing to serve in this very important role. The VAS Board of Directors endorses these candidates and believes each would honorably represent the surveying community, and be of great service to the public if chosen to serve on the APELSCIDLA Board.

If you have any questions or need further information please call me at (804)370-2551.

Sincerely,

David R. Gardy, LS
President, Virginia Association of Surveyors
