"The I Can Kid"

Now when I Can Kid walks down the street,
He's clean from his head to his feet.
You'll know who he is by the way he speaks,
Because he's polite to all he meets.
He's proud of who he is.
He respects himself.
He's considerate of the feelings of others.
When you see this Kid,
You'll say to yourself,
"He must be an I Can Kid."
Yes, I am an I Can Kid.
Yes, I am an I Can Kid.
