Be a STAR to a Student, Be a Guiding Light!

What is the Student Tuition Assistance Relationship (STAR) Program

The STAR Program matches a student in need of tuition assistance with a generous donor -- a "STAR" who contributes tuition up to \$2,000 a year while the parents contribute the remainder of the tuition (approximately 50%).

"STAR" sponsors receive cards and letters from their students. THF's STAR students demonstrate the highest need.

"This program gives you the opportunity to make a real difference in the life of a young person and help ensure their success in life."

Tomorrow's Hope Foundation Facts

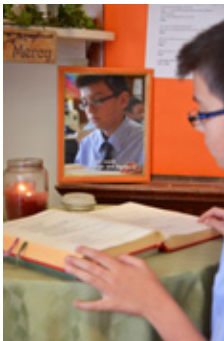

Since 2005, Tomorrow's Hope Foundation has provided nearly \$20 million in scholarship support for 17,000 students.

In the 2015-2016 school year, Tomorrow's Hope Foundation gave out 1,700 scholarships totaling \$1.6 million.

Our scholarships range from \$200-\$2000 per student per year. This helps subsidize the cost of the \$4,500 yearly tuition.

Tomorrow's Hope provides assistance to our network of 47 Catholic elementary schools across Nassau and Suffolk counties on Long Island.
