**Questions? Come to the Transfer & Career Services Desk in the Student Services Center, or call (925) 473-7444**

# *Fall Career Workshops*

*All programs are in the Student Services Center, Rm. 412 from noon-1pm, unless otherwise noted.*

## **Monday, September 21 - Explore Majors and Careers**

How do majors connect to careers? How do I figure out what major and career I want? Come learn about resources and strategies to help you explore your interests and find the right fit!

## **Monday, September 28 - Career Questions with Kristin Conner**

Miss the majors and career talk? Have a question about looking jobs or internships? Not sure where to start with your career exploration? Bring a friend and stop by this informal talk. We'll gather all the topics of interest from the group in the room and then start discussing. Active participation in the discussion is encouraged. You have more answers to these questions than you think!

## **Monday, October 12 - Using LinkedIn to Build Your Career Network**

Heard of LinkedIn? It the professionals "Facebook" and it becoming a key tool in finding jobs and establishing career connections. Learn how to build your profile, talk about your skills and start connecting with professionals to explore careers. Did you know many employers "google" job applicants to see what is online? LinkedIn will help create a positive career image for yourself.

## **Monday, October 26 - Career Questions with Kristen Freeman**

Miss the LinkedIn talk? Have a question about looking for jobs or internships? Not sure where to start with your career exploration? Bring a friend and stop by this informal talk. We'll gather all the topics of interest from the group in the room and then start discussing. Active participation in the discussion is encouraged. You have more answers to these questions than you think!

## **Monday, November 23 - Effective Resumes and Cover letters**

Get tips and learn how to craft effective resumes and cover letters to send to employers, and for scholarships or any other application that requests one.
