Proudly Presents:

San Diego International Airport
“Mastering the Art of Airports”
Thursday, June 20, 2013

Our San Diego International Airport is undergoing some great changes, including new gates, northside projects, and improvements to Terminal 2. Join us on Thursday, June 20, 2013 at the San Diego Regional Airport Authority’s offices at the Commuter Terminal to get an update from Keith Wilschetz, Planning Director on current and upcoming projects and the airport’s vision for its (and thus for our) future.

In addition to Keith’s presentation, WTS has arranged a bus tour of the airport from within the security perimeter! If you’ve not done this before, it’s a real treat! **Space for both the program and the optional bus tour is limited. Register today and don’t miss out!**

Registration:
\$40 Member | \$60 Non-Member
\$25 Public Sector | \$20 Students
 Add \$15 for Registration without Reservations (Walk-In)
